Insurance And Indemnification:

Rancho Del Sol Rules and Regulations

Updated January 8, 2025

Park does not carry public liability or property damage insurance to compensate Tenant, Tenant's Guests or any other person from any loss, damage, or injury except those resulting from actions where Park would be legally liable for such loss, damage or injury. Tenant is required and responsible for obtaining, at Tenant's own cost, extended coverage for RV, fire and other casualty insurance on the Recreational Vehicle, other improvements and contents to the full insurable value and such other insurance as is necessary to protect Tenant, Tenant's Guest(s) or others from loss or liability, and Tenant hereby agrees to indemnify and hold harmless Park from any liability thereof.

Evidence of Insurance is required upon application for tenancy at the Park. Tenants must obtain and maintain at all times while occupying Park an RV insurance policy specific for vacation rentals/camping (separate from what the DMV requires) from an insurer with a rating of at least A- at all times with general liability, collision, comprehensive, uninsured/underinsured, towing, roadside service, and emergency with insured limits of at least \$100,000 listing Park as an "additional interest" for notification purposes. Said policy shall include extended coverage for RV, fire, property damage, emergency expenses, vacation liability, personal effects or contents coverage, and other casualty insurance on the RV, other improvements and contents to the full insurable value and such other insurance as is necessary to protect Tenant's invitees or others from loss or liability. Tenant may during the term of the rental agreement make changes in the required insurance coverage or limits as determined by Park management in its reasonable discretion. Tenant agrees to provide a copy of all insurance policies affecting the RV and RV Site to Management upon ten (10) days written request. Tenant agrees that in the event Tenant does not timely provide said insurance, Park Management may obtain said insurance meeting the above coverages and bill Tenant for the insurance as additional rent. Park Management shall have no obligation to obtain such insurance. Park Management may obtain such policy that protects Park, but not Tenant, to satisfy Tenant's obligation. Failure to provide evidence of insurance and Park being listed as "additional interest" for notification purposes may, at the option of Park, void the rental agreement and Tenant will be required to vacate the RV Site.

Tenant and Tenant's Guests acknowledge that Owner shall not be liable for any loss, damage or injury of any kind whatsoever to the person or property of any Tenant, Guest or invitee of any person caused by use of the Park, Park Facilities or RV Site, or by any defect in improvements erected thereon, or arising from any accident in the Park, or any fire or casualty thereon, or arising from any cause whatsoever, unless resulting from the negligence or willful act of the Owner or its authorized agents.
